The Ford Taurus is an automobile that was manufactured by Ford in the United States from model years 1986–2019, and currently by Changan Ford in China. Produced in six generations for the North American market, the Taurus was originally introduced in 1985 for the 1986 model year, and had remained in near-continuous production for more than three decades.

Cultural significance. Sacagawea is known to have been an important member of the Lewis and Clark expedition. The National American Woman Suffrage Association of the early twentieth century adopted her as a symbol of women's worth and independence, erecting several statues and plaques in her memory, and doing much to spread the story of her accomplishments.
