From 1934 Datsun began to build Austin 7s under licence. This operation became the greatest success of Austin's overseas licensing of its Seven and marked the beginning of Datsun's international success. [citation needed]In 1952, Nissan entered into a legal agreement with Austin, for Nissan to assemble 2,000 Austins from imported partially assembled sets and sell them in Japan under the Austin ...

The Nissan Bluebird is a compact car with a model name introduced in 1957. It has been Nissan's most internationally recognized sedan, in multiple body styles, and is known for its dependability and durability. The Bluebird originated from Nissan's first vehicles, dating to the early 1900s, and its traditional competitor became the Toyota Corona. The Bluebird was positioned to compete with the ...
