Managing Change. Introduction Kotter (2011) defines change management as the use of basic structures and tools to control any organisational change efforts. To this end change management is the guiding of change to a desired goal. It is an ever-present feature of organisational life (Burnes, 2004 cited by Todnem By, 2005). My exposure to change was whilst working for a SME.

The business cycle, also known as the economic cycle or trade cycle, is the downward and upward movement of gross domestic product (GDP) around its long-term growth trend. The length of a business cycle is the period of time containing a single boom and contraction in sequence. These fluctuations typically involve shifts over time between periods of relatively rapid economic growth (expansions ...

There are those who in the realm of science fiction literature wonder if galactic empires are the new "Middle-Earth". But interstellar empires never seem to go out of style, and regardless of their practicality they remain a powerful meme. The terrorist organization Aum Shinrikyo found inspiration in the galactic empire of Isaac Asimov's Foundation Trilogy.
