The London International Financial Futures and Options Exchange (LIFFE, pronounced 'life', is a futures exchange based in London.. LIFFE is now part of Intercontinental Exchange group following a series of takeovers. Euronext acquired LIFFE in 2002, and were then in turn taken over by NYSE in 2007, to form NYSE Euronext.The main rationale for this transaction was to gain ownership of LIFFE.

London International Financial Futures and Options Exchange

A futures exchange or futures market is a central financial exchange where people can trade standardized futures contracts; that is, a contract to buy specific quantities of a commodity or financial instrument at a specified price with delivery set at a specified time in the future. These types of contracts fall into the category of derivatives.The opposite of the futures market is the spots ...
